WE'VE BEEN BUSY!

Greetings from the Lee Vining Community and School Garden, summer 2019. A lovely group of gardeners has been serenely working here and the garden is giving back!

With library sewing machines, Mary Ljung has spent countless volunteer hours this summer making book bags for Lee Vining students. She also has taught workshops on making book bags and repairing clothing.

IMACA preschool class explored the library and community garden as part of their weekly curriculum.

New Library Director Christopher spent time going through the Lee Vining collection.

Friends of the Library Book Sales this spring and summer have made space and raised funds for new books. Thank you to Ilene M and Deana BR for help setting up.

Deena Kastor, Olympic Medalist & American record holder in the marathon shared her bestselling book *Let Your Mind Run: A Memoir of Thinking My Way To Victory*
